Dear Prospective Camper,

It is the intent of the Buford football staff to give each camper a better understanding of football, to help him build self-confidence, and to expose him to an environment where he can learn the core values of Buford Football. You will be instructed by an experienced coaching staff that truly enjoys teaching and coaching while sharing a passion for impacting kids. You will work hard at camp, make new friends, get to know coaches, hear from former players, and have fun.

Our camp is designed to teach offensive and defensive fundamentals - while including group and team periods where we will work on schemes and plays. You will also have the opportunity to work an offensive and defensive position each day, do speed work, play the speed ball, and lift weights in our field house. There will be video demonstrations and highlight tapes shown.

If you have a strong desire to improve your fundamentals, and learn more about the Buford Football way of doing things, then we would be excited to have you in our camp. We look forward to seeing you in July.

Camp Director: Head Coach Bryant Appling
